

Booktalk!

TIP: During your Book Talk here is an activity you can try.

For this Book Talk you will need:

- A large purse or beach bag
- A variety of items that can fit in the purse or bag

Read *The Queen's Secret* out loud but make sure not to give away the ending.

After reading the story have audience members come up and pull an item out of the purse or bag. Have them tell the group what they think the Queen could use the item for. For example, they could pull an ice cream scoop out of the bag and say that the Queen uses it to scoop ice cream for her favourite dessert — banana splits!

Then ask the audience if they were a King or a Queen, what would they carry in their bag and why?
