

# Booktalk!

**TIP: During your Book Talk, try this memory game!**

*(read the book Too Much Stuff! out loud to the group then start the game by saying)*

Presenter: I packed my bags to go on an airplane and I took a... hockey stick.

*(point to the child sitting closest and ask them to repeat what was said then add an item of their choice)*

1st child: I packed my bags to go on an airplane and I took a hockey stick and... a robot.

*(each child that follows must remember what everyone before them is taking and repeat the entire list back in order before adding their own item at the end)*

2nd child: I packed my bags to go on an airplane and I took a hockey stick, a robot and... a teddy bear.

*(repeat for as long as time allows)*
