

# Nature's Children

## Second Series

Grades: 3–8

21 volumes per set

\$405 for each set

Grolier®

Reinforced Library Binding

The same cherished animals, with all-new text and photographs, four additional pages of Words to Know, further reading suggestions, and Facts in Brief. Every volume begins with an expanded Facts in Brief section, featuring the latest information on:

- Animal classifications
- World distribution
- Distinctive physical characteristics
- Diet

The text is lively, informative, clear, and engaging. Students will find out about each animal's

- Family and social pattern
- Life cycles
- Habitat
- Variations
- Relationship to the environment and to humans

|                   | Orcas       |               |

# Simple Machines

Grades: K–2

Complete Set of 6 Books: \$162.00

Set ISBN: 978-0-545-21414-8

Individual Books: \$27.00

Each Book: 24 pp., 6 1/2 x 9, full-colour photographs

Reinforced Library Binding

### Features

- Introduction to simple machines, the basic physics that make them work, and how they are used in the world
- Table of Contents
- Glossary
- Index

**Levers** 2009. . . . . 978-0-531-22220-1

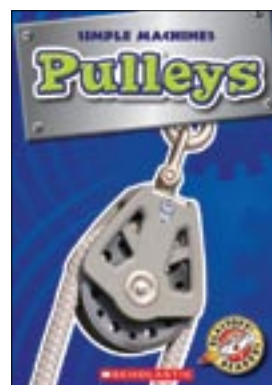

**Pulleys** 2009. . . . . 978-0-531-22221-8

**Ramps** 2009. . . . . 978-0-531-22249-2

**Screws** 2009. . . . . 978-0-531-22223-2

**Wedges** 2009. . . . . 978-0-531-22222-5

**Wheels and Axles** 2009. . . . . 978-0-531-22224-9

# First Science

Grades: K-2

Complete Set of 11 Books: \$264.00

Set ISBN: 978-0-531-14688-0

Individual Books: \$24.00

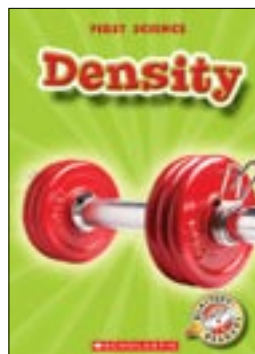

Each Book: 24 pp., 6 1/2 x 9, full-colour photographs
